Merry Christmas and Happy Holidays!

Merry Christmas and Happy Holidays to every one that is a part of the ARIL Program! ARIL is excited to end this year on a strong note and to continue growing our program in the new year. This is the season of joy, giving and family. Take a moment to appreciate those in your life who have helped you in one way or another and think about what you can do to show your appreciation for them. As the end of the year approaches, think about all the accomplishments you have made, goals reached or would like to reach! Start planning new goals you would like to set for yourself in the new year and begin to work on accomplishing those goals. Now is a great opportunity for you to talk with your ARIL DSP and start creating an action plan to stay accountable for reaching your goals in the new year.

ARIL would like to wish you all a Merry Christmas and Happy Holiday's! Thank you for all your support and dedication working with your Direct Support Professionals.
