Changes for ARIL

This August, ARIL will be officially saying goodbye to ZOOM classes. It has been a great adventure teaching persons served skills through the Zoom platform and seeing so many of our persons served come together during our classes but as ARIL moves forward with resuming more in person sessions, ZOOM classes will no longer be offered by ARIL. All Zoom classes or teleservices will be conducted directly by the DSP assigned to each person served. Though we are saying goodbye to our group zoom classes, ARIL will continue to host in person events monthly and there will be opportunities to get together with ARIL person served. Join ARIL on August 25th for our in person event to Yucaipa Regional Park! For more information check out page 4 or contact your Direct Support Professional. Remember to check back in with your DSP and the ARIL website for updates and changes to our events schedule.

ARIL is Hiring! If you know of anyone who is passionate about working with adults with Developmental Disabilities, has experience working in human services, social work or special education and would like to join our team let us know! We are accepting resume's sent to our email DirectSupport@arildsp.com.

Services

ARIL offers primarily in person services that are face-to-face in the family home or in the community. ARIL follows COVID-19 precautions recommended by the CDC.

ARIL offers case by case remote services via zoom and video calls. All teleservices are goal oriented and focused on teaching independent living skills using power points, discussions and learning videos.

ARIL offers a hybrid program. Persons Served can receive a combination of remote and in person services. These services can change month to month according to the needs of the person served.

July Recap

July

ARIL is extra proud of our persons served this July! Persons served explored job opportunities, practiced their social skills, and for some fun in the sun & in the arcade room!

Keep up the great work everyone

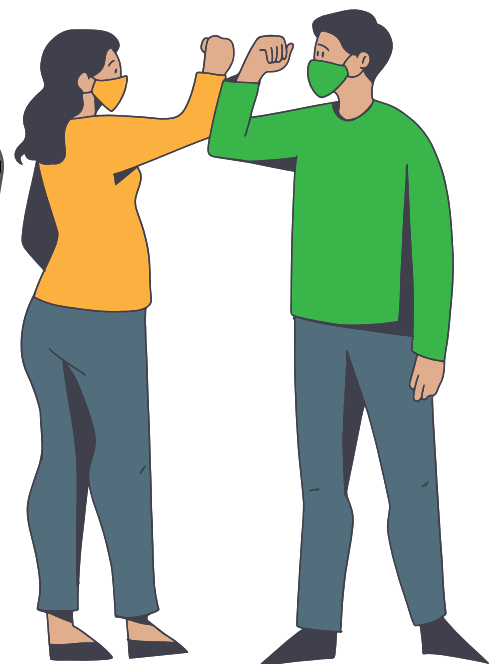

COVID-19 is still active, so be safe and continue to follow CDC guidelines

ARIL is continuing to follow up on information related to the coronavirus pandemic. Our website is being updated with the latest information about the virus and resources that can be accessed within the Inland Empire. Please check out our website for updates on the coronavirus and resources.
